

Thousand Eyes

Lia Ices

La, la, la, la, la
La, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la
La, la, la, la, la

La, la, la, la, la. We need a new ocean to swim in,
We need a new song to be singing,
Send my voice up like an arrow
Into love's rare universe.

Planets change, like clothes every year
Saturn rings and hearts keep beating.

We are a starry sky,
Gazing down with a thousand eyes
And we know that we go on

Cause we go on, go on, go on. Flash yer flood, set yer fire
You were born to overflow
And we know that we go on

Cause we go on, go on, go on. Flash yer flood, set yer fire
You were born to overflow. La, la, la, la, la, la, la, la,
La, la, la, la, la, la, la, la, la,

La, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la.
La, la, la, la, la
La, la, la, la, la,
La, la, la, la, la, la.

We have every, every reason to believe
In every single rhythm that we are feeling

I hear the ultimate clock
But keep time with my human heart.

Someone is hearing me now, and I
I say to you wherever you are:

You are an astronaut

Keeping time with your human heart

Don't let your ow west ward spiral be the only myth

That you can rely on. Flash yer flood, set yer fire
You were born to overflow. Flash yer flood, set yer fire
You were born to overflow.

And we know that we go on

Cause we go on, go on, go on. Flash yer flood, set yer fire
You were born to overflow.

And we know that we go on

Cause we go on, go on, go on.La, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la.
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la.
La, la, la, la
La, la, la, la
La, la, la, la, la.
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la.
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la.
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la.
