

# Hey Ya'll (feat. Randy Houser)

## Colt Ford

Hey ya'll  
Hey ya'll  
Hey ya'll  
Hey ya'll Come on  
Saddle up lets go  
Laying it down like Mexico  
Who needs a beach got a cold creek  
Son you can bet ya its the country Feista Hey ya'll Lets ride  
Party going on on the riverside  
hey ya'll jump in  
Let your hair down go off the deep in  
Cold beer hot things nothin but a chicken wing  
Dixie girls screaming with that southern draw  
Hey Ya'll  
Cut off thats right  
Suger so sweet the chickens won't bite  
Whole lot of hay can't no who to stand  
Raising our cups up sipping on some punch punch Hey Ya'll Lets ride  
party going on on the riverside hey ya'll jump in  
Let your hair down go off the deep in  
Cold beer hot things nothin but a chicken wing  
Dixie girls screaming with that southern draw  
Hey Ya'll Rope swing, Trout lines  
Catfish, Cornbread, Cold Coors light  
Bon Fires, Lawn chairs  
Raise a lot of hell hell we just don't care  
Hey Ya'll Lets ride  
Party going on on the riverside  
hey ya'll jump in  
Let your hair down go off the deep in  
Cold beer hot things nothin but a chicken wing  
Dixie girls screaming with that southern draw  
Hey Ya'll  
Hey Ya'll Hey Ya'll  
Hey Ya'll  
Hey Ya'll  
Hey Ya'll
