

# Where You Come In

Chris Janson

Some times when I'm down  
And feel like I can't win  
And I consider walkin' out  
That's where you come in  
Like an old cowboy song  
I'm one of them kinda men  
I don't know where I belong  
That's where you come in  
Between the good times and the bad times  
The high times and the low times  
The rich times and the poor times we've spent  
And when I feel like screamin'  
Like the hard times they ain't leavin'  
When I can't wait for tomorrow to begin  
That's where you come in  
Honey I know you and me  
Are paper and pen  
And when I can't find the words  
That's where you come in  
Between the good times and the bad times  
The high times and the low times  
The rich times and the poor times we've spent  
And when I feel like screamin'  
Like the hard times they ain't leavin'  
When I can't wait for tomorrow to begin  
That's where you come in  
That's where you come in
