

# One Flight Down

Norah Jones

One flight down  
There's a song on love  
And your mind just picked up on the sound  
Now you know that you're wrong Because it drifts like smoke  
And it's been there playing all along  
Now you know  
Now you know The reeds and brass have been weaving  
Leading into a single note  
In this place  
Where your arms unfold  
Here at last you see your ancient face  
Now you know  
Now you know The cadence rolls in broken  
Plays it over and then goes  
One flight down  
There's a song on love  
And it's been there playing all along  
Now you know  
Now you know
