

# Lost in Love

## New Edition

Would you love me  
When nights are cold  
Would you love me  
When I grow old  
Would you care  
Baby it's not easy  
Take me by surprise  
And say you're there  
Would you love me  
Give me one more chance  
Would you love me  
Try and understand  
Would you share a life  
that is music  
Show me in your eyes  
That you'll stay with me tonight  
I'm lost in love  
I can't live without you  
I'm lost in love,  
all my dreams around you  
and I'm lost in love  
And it's true  
I can't live without you  
Oh, no  
Would you love me  
When I'm in doubt  
Would you love me  
Just to be around  
Would you share my  
Life that is music  
Take me in your arms  
And sing my melody  
I'm lost in love  
I can't live without you  
I'm lost in love,  
all my dreams around you  
and I'm lost in love  
And it's true  
I can't live without you  
Oh, no  
And I'm lost in love  
Say you really want me  
Love is a passion  
Just can't hide  
And I'm lost in love

Time and again and it  
Hurts me You'll be my reason  
For starting again, again I'm lost in love  
I can't live without you  
I'm lost in love  
And all my dreams around you  
I'm lost in love  
I can't live without you  
I'm lost in love  
Baby, baby, baby, baby, baby  
I'm lost in love  
Baby I can't live without you
