

Call It What You Want

Foster the People

Call it what you want
Call it what you want
I said just call it what you want
Call it what you want Yeah we're locked up in ideas
We like to label everything
Well I'm just gonna do here what I gotta do here
'Cause I gotta keep myself free
You're ducking & moving just to hide your bruises from all your enemies
& I'm in the crossfire dodging bullets from you expectancies We've got nothing to lose
You better run & hide
Yeah you've crossed the line
I've got a knife behind my back (just sayin')
We've got nothing to prove
Your social guides give you swollen eyes
But what I've got can't be bought so you can just
Call it what you want
Call it what you want
I said just call it what you want
Call it what you want You've taken your words, & you take your judgments
& stick them onto everything
If it don't conform to what you were born into
Then you run the other way
You say, "Now what's your style, & who do you listen to?" Who cares?
Well that rat race ladder-climbing fake-face smile's got nothing on me We've got nothing to lose
You better run & hide; you've crossed the line
I've got a knife behind my back (just sayin')
We've got nothing to prove
Your social guides give you swollen eyes
But what I got can't be bought so you can just
Call it what you want
Call it what you want
I said just call it what you want
Call it what you want, want, want, want want
What you want, want, want
Call it what you want, want
You can call it what you want
What you want, want, want
Call it what you, call it what you want
What you want, want, want, want
You can call it what you want
Call it what you want
I said just call it what you want

Call it what you want
