

Gloe

Kiiara

I'ma glow with or without you
I'ma glow, I'ma glow with or without you
I'ma glow with or without you
Two ml in my system swallow up Lick my lips, glittering mouth
You're my king and I need you now
Two more minutes, don't fuck it up, they'll fuck you up
You won't know which way is down, know which way is down, no
Lick my lips, glittering mouth
You're my king and I need you now
Two more minutes, don't fuck it up, they'll fuck you up
You won't know which way is down, know which way is down, no
Pick me up and go
Know I don't wait, don't wait for no one
Pick me up and go
Know I don't wait, don't wait, don't wait, don't wait, no I'ma glow with or without you
Two ml in my system
I'ma swallow all these diamonds, never spit 'em out
I'ma glow with or without you
Two ml in my system
I'ma swallow all these diamonds, I'ma make you proud
All these psychos in my mind got me thinking loud
Thinking about how, how you taste now
But I'ma glow with or without you
Two ml my system
I'ma swallow all these diamonds, I'ma make you proud
I'ma let you finish, I'ma let you finish
You're the greatest of all time
I'ma let you finish, I'ma let you finish
Yeah, the greatest of all time
I'ma let you finish, I'ma let you finish
You're the greatest of all time
I'ma let you finish, I'ma let you finish
Yeah, you're the greatest Chain me up, trap me in gold
You're my king, I gotta have you close
Two more minutes, don't fuck it up, they'll fuck you up
You won't know which way is home
Won't know which way is home, no Pick me up and go
Know I don't wait, don't wait for no one
Pick me up and go
Know I don't wait, don't wait, don't wait, don't wait, no I'ma glow with or without you
Two ml in my system
I'ma swallow all these diamonds, never spit 'em out

I'ma glow with or without you
Two ml in my system
I'ma swallow all these diamonds, I'ma make you proud
All these psychos in my mind got me thinking loud
Thinking 'bout how, how you taste now
But I'ma glow with or without you
Two ml in my system
I'ma swallow all these diamonds, I'ma make you proud
Bae pussy rider thigh-high
Leather fetish and the latex get the side-eye
I'ma let you hit it from the side like a drive-by
Yeah, like a drive-by, yeah
The other girls never fuck in the diamonds
I'ma glow, but you first gon' try it
The other girls never fuck in the diamonds
You should know, babe
You should, you should know that
All these diamonds, yeah
I'ma swallow all these diamonds, yeah
I'ma swallow all these diamonds, yeah
Diamonds, these diamonds, these diamonds, yeah
All these diamonds, yeah
I'ma swallow all these diamonds, yeah
I'ma swallow all these diamonds, yeah
Diamonds, these diamonds, these diamonds, yeah
