

Too Close

Alex Clare

You know I'm not one to break promises
I don't want to hurt you but I need to breathe
At the end of it all, you're still my best friend
But there's something inside that I need to release Which way is right, which way is wrong?
How do I say that I need to move on?
You know we're headed separate ways And it feels like I am just to close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more Got to be true to myself And it feels like I am just to
close to love you
So I'll be on my way
You gave me more than I can return Yet there's so much you deserve
Nothing to say, nothing to do
I've nothing to give
I must leave without you
You know we're heading separate ways
And it feels like I am just to close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just to close to love you
So I'll be on my way
So I'll be on my way
And it feels like I am just to close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just to close to love you
So I'll be on my way
So I'll be on my way
So I'll be on my way
