Somebody to Love (Remix) [feat. Usher]

Justin Bieber

For you, I'd write a symphony I'd tell the violin It's time to sink or swim Watch them play for ya For you, I'd be Running a thousand miles Just to get to where you are Step to the beat of my heart I don't need a whole lot But for I admit I I'd rather give you the world Or we can share mine I know I won't be the first one Giving you all this attention Baby listen I just need somebody to love I, I don't need too much Just somebody to love Somebody to love I don't need anything else, I promise, girl, I swear I just need somebody to love I need somebody I, I need somebody I need somebody I, I need somebody Every day I bring the sun around I sweep away the clouds Smile for me I would take Every seconds, every single time Spend it like my last dime Step to the beat of my hear I don't need a whole lot But for you I admit I I rather give you the world Or we can share mine I know I won't be the first one Givin' you all this attention Baby listen I just need somebody to love

I, I don't need to much, just somebody to love

Somebody to love
I don't need nothing else, I promise, girl, I swear
I just need somebody to love

I need somebody

I, I need somebody

I need somebody

I, I need somebody to love

And you can have it all

Anything you want

I can bring; give you the finer things, yeah

But what I really want

I can't find cause

Money can't find me

Somebody to love (oh oh)

Find me somebody to love

I need somebody to love

I, I don't need too much

Just somebody to love

Somebody to love

I don't need nothing else, I promise, girl, I swear

I just need somebody to love

I need somebody

I, I need somebody

I need somebody

I, I need somebody

Somebody to love

I need somebody

I, I need somebody

I need somebody to love

To love, to love

Is she out there I just need somebody to love
