I Wanna Go

Mase

Hey i juss wanna see you doin goodFrom the first day i met you, i knew you was special You had lot of drama but i used to protect you When you was nieve, yo i could not let you Do a lot of things, so i had to correct you You thinkin if you juss went left, instead of right Right now what would your life be like And me, you know i love the good life And you, i know you hate the hood life I watch you, as you turn and turn And burn and burn from all your decisions You could be a christian, rich somewhere But you aint tru to listen, so get somwhere Itz never to late til itz to late, right now, You is wit me, you be livin in a new state Ridin around with new plates, livin in a new place But you couldnt tell your crew, wait [hook] I wanna go back to the days You used to say when you were lovin me And i was lovin you I wanna go Cuz i would do many things so differently Baby me and you, would still be together Wanna go back to the days You know i see you on the beach, feed her rose petals I tell you the truth, but then you wanna go settle A girl, like you is on another whole level Try to move you out that hood, but you scared to leave the ghetto I told you, anything you say you can have it With me, i always spend a million on my fabric Establish and lavage, karats since i have it Im married, and i dont mean i want you looking average I thought you known that, take you where your zone at Peeps, in the street talkin like they own that I talk truth, but they only want facts When you wanna do right, you know where your homes at I tell you wadel lennex, that mean wait a minute Bracelet tennis, face then you finish And just because you're not my girl That doesnt mean you alone in this world [hook] I wanna go back to the days

You used to say when you were lovin me

And i was lovin you I wanna go

Cuz i would do many things so differently
Baby me and you, would still be together

Wanna go back to the daysIm in love with a girl named Twyla Im in love with a girl from mississippi named Twyla

Im in love with a girl named Twyla

Im in love with a girl named Twyla Betha

Twyla Betha, i said Twyla Betha, Twyla Betha

You know im in love

Im in love with a girl named Twyla

Im in love with a girl from mississippi named Twyla[hook]

I wanna go back to the days

You used to say when you were lovin me

And i was lovin you

I wanna go

Cuz i would do many things so differently

Baby me and you, would still be together

Wanna go back to the daysIm in love with a girl named Twyla

Im in love with a girl from mississippi named Twyla

Im in love with a girl named Twyla

Im in love with a girl named Twyla Betha

Twyla Betha, i said Twyla Betha, Twyla Betha

You know im in love

Im in love with a girl named Twyla

Im in love with a girl from mississippi named TwylaI wanna go back to the days

You used to say when you were lovin me
