

Strong Enough

Cher

I don't need your sympathy
There's nothing you can say or do for me
And I don't want a miracle
You'll never change for no one
And I hear your reasons why
Where did you sleep last night?
And was she worth it, was she worth it?'Cause I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you've gotta go There's no more to say
So save your breath and walk away
No matter what I hear you say
I'm strong enough to know you've gotta go
So you feel misunderstood
Baby have I got news for you
On being used, I could write the book
But you don't wanna hear about it 'Cause I've been losing sleep
And you've been going cheap
And she ain't worth half of me it's true
Now I'm telling you That I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you've gotta go
Come hell or waters high
You'll never see me cry
This is our last goodbye, it's true
Now, I'm telling you
Now I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you've gotta go There's no more to say
So save your breath and walk away
No matter what I hear you say
I'm strong enough to know you've gotta go
Now I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you've gotta go There's no more to say
So save your breath and walk away
No matter what I hear you say
I'm strong enough to know you've gotta go
(fade out)
