

You Think You're a Man

Divine

Turn around, stand up like a man and look me in the eye
Turn around, take one final look at what you've left behind
Then walk away from the greatest lover you have ever known
Yes, walk away, you're telling me that you can make it on your own
By yourself, all alone, without my help
Mister, you just made a big mistake You think you're a man but you're only a boy
You think you're a man; you are only a toy
You think you're a man but you just couldn't see
You weren't man enough to satisfy me Shut the door, take a look around and tell me what you
find
Shut the door, take a giant step for you and all mankind
Then don't come back, I always gave you so much more than you deserve
No, don't come back 'cause no one makes a fool of me
You've got a nerve to walk away, mark the words I'm gonna say
Mister, you just made a big mistake. You think you're a man but you're only a boy
You think you're a man; you are only a toy
You think you're a man but you just couldn't see
You weren't man enough to satisfy me You think you're a man but you're only a boy
You think you're a man; you are only a toy
You think you're a man but you just couldn't see
You weren't man enough to satisfy me Shut the door, take a look around and tell me what you
find
Shut the door, take a giant step for you and all mankind
Then don't come back, I always gave you so much more than you deserve
No, don't come back 'cause no one makes a fool of me
You've got a nerve to walk away, mark the words I'm gonna say
Mister, you just made a big mistake
You think you're a man but you're only a boy
You think you're a man; you are only a toy
You think you're a man but you just couldn't see
You weren't man enough to satisfy me You think you're a man but you're only a boy
You think you're a man; you are only a toy
You think you're a man but you just couldn't see
You weren't man enough to satisfy me
