

Hold On Till May

Pierce the Veil

She sits up high surrounded by the sun
One million branches and she loves every one.
"Mom and dad, did you search for me?
I've been up here so long I'm going crazy" The sun went down, we ended up on the ground
I heard the train shake the windows
You screamed over the sound
And as we own this night
I'll put your body to the test with mine.
This love was out of control
3, 2, 1, where did it go? Now don't be crazy yes now of course you can stay here.
(Been in a touring band for going on ten years)
"Big deal," she said, "I guess you're official!"
I only said it because I know what it's like to feel burned out."
It gets you down
We've all been there sometimes
But tonight, I'll make you feel beautiful once again.
And as the sun went down, we ended up on the ground.
I heard the train shake the windows You screamed over the sound.
And as we own this night
I'll put your body to the test with mine.
This love was out of control
3, 2, 1, where did it go?
If I were you, I'd put that away.
See, you're just wasted and Thinking about the past again.
Darling, you'll be okay.
And she said
"If you were me, you'd do the same
'Cause I can't take anymore
I'll draw the shades and close the door.
Everything's not alright and I would rather..."
And as the sun went down, we ended up on the ground
I heard the train shake the windows
You screamed over the sound.
And as we own this night
I'll put your body to the test with mine.
This love was out of control
Tell me where did it go?
