

# Small Town

[John Mellencamp](#)

Well, I was born in a small town  
And I live in a small town  
Prob'ly die in a small town  
Oh, those small communities All my friends are so small town  
My parents live in the same small town  
My job is so small town  
Provides little opportunity Educated in a small town  
Taught the fear of Jesus in a small town  
Used to daydream in that small town  
Another boring romantic, that's me  
But I've seen it all in a small town  
Had myself a ball in a small town  
Married an L.A. doll and brought her to this small town  
Now she's small town just like me No, I cannot forget from where it is that I come from  
I cannot forget the people who love me  
Yeah, I can be myself here in this small town  
And people let me be just what I want to be Got nothing against a big town  
Still hayseed enough to say, "Look who's in the big town"  
But my bed is in a small town  
Oh, and that's good enough for me  
Well, I was born in a small town  
And I can breathe in a small town  
Gonna die in this small town  
And that's probably where they'll bury me
