

# Dancing In the Minefields

[Andrew Peterson](#)

Well, I was nineteen, you were twenty-one  
The year we got engaged  
And everyone said we were much too young  
But we did it anyway We got the rings for forty each  
From a pawn shop down the road  
We said our vows and took the leap  
Now fifteen years ago And we went dancing in the minefields  
We went sailing in the storms  
And it was harder than we dreamed  
But I believe that's what the promise is for "I do" are the two most famous last words  
The beginning of the end  
But to lose your life for another, I've heard  
Is a good place to begin  
'Cause the only way to find your life  
Is to lay your own life down  
And I believe it's an easy price  
For the life that we have found And we're dancing in the minefields  
We're sailing in the storms  
This is harder than we dreamed  
But I believe that's what the promise is for  
That's what the promise is for So when I loose my way, find me  
When I loose love's chains, bind me  
At the end of all my faith, till the end of all my days  
When I forget my name, remind me 'Cause we bear the light of the Son of Man  
So there's nothing left to fear  
So I'll walk with you in the shadowlands  
Till the shadows disappear  
'Cause he promised not to leave us  
And his promises are true  
So in the face of all this chaos  
Baby, I can dance with you So let's go dancing in the minefields  
Let's go sailing in the storms  
Oh, let's go dancing in the minefields  
And kicking down the doors Oh, let's go dancing in the minefields  
And sailing in the storms  
Oh, this is harder than we dreamed  
But I believe that's what the promise is for  
That's what the promise is for
