Three 6 Mafia f/ Youngbloodz, Ying Yang Twins Chorus DJ Paul

What u bitches wanna do ('cause it's whateva wit us)

What u bitches wanna do ('cause it's whateva wit us)

What u bitches wanna do ('cause It's whateva wit us)

It's whateva wit us, it's whateva wit us Verse 1 DJ Paul

Now how the hell you little nigglets

Try and test me

Knowing the whole time you grew up on the green

Y'all trying to be Paul

But I ain't tryin' to be y'all

Your pockets is empty

Like summertime school halls

I'm worldwide trick

You're on the radio in one goddamn city

So check your crooked lip bitch

And change yo plans

It's the numbers on your phone

And numbers on your cell

Verse 2 Juicy J

I ain't messed up by messin crooked cowards

Wit a nigga name testing my gangsta

Get his f\*\*kin feelings hurt

Eyes 45 on the fish desert green

Sippin hen smokin and coughin on the scene

You say you wanna fight I know you is a joke

So step in the ride

They call me the Juice

And it's the truth

It's wit all the sports

So watch bitch Chorus

Verse 3 Sean Paul

Yeah I'm straight for ATL

Screamin' f\*\*k what you claiming

Actin wit the brand new mack

Brand new glasses all my niggaz?

I'm a gambler I'll handle ya

Hold the dice and shake em

Roll them self leanin the left

Nigga f\*\*k around and break em

You' ze a bitch nigga I can tell it in your eyes  
 You a hoe nigga in tight jeans shown off your thighs  
 I'm a g nigga nothing but dro' rolled up in my swisha  
 In a big Lac with leather seats a pistol ready to split ya  
 I' m ready wit my partner ready to jump up in the chevy  
 I'm ready to kick it wit Three 6 Mafia  
 Back up 'cause we won't f\*\*kin stop Verse 4 J-Bo  
 You can call it how you like  
 But I'ma tell it like I see it  
 We strapped up wit heaters and bones  
 They so conceited  
 Dribble and bounce pass niggaz they so grab  
 But the whole world will know when we blast it  
 Knock em off in the ghetto ready nigga let's go  
 Youngbloodz wit Three 6 swolled my whistle  
 I'm backdoor like lil joe now nigga let's go  
 It's pimpin in this bitch  
 Sawin hoes off like nitro Chorus Verse 5 D-Rock  
 Nigga you bleed like I bleed  
 We born to die  
 I never seen man cry till my nigga got shot  
 I hear you talking but actions speak louder then words  
 Nigga f\*\*k what you heard I ain't never scured  
 Can you walk it like you talk it  
 Show a nigga you real  
 But shit like that get niggaz killed  
 Either you won't but nigga you will  
 All these stories you makin up killin my ill  
 And my patience ain't long at all  
 Nigga don't f\*\*k wit me if I ain't f\*\*kin wit y'all  
 'cause I'm ready for the world but is it ready for me  
 What you see on TV is on these streets  
 Some of these niggaz ain't as hard as they say they is  
 And niggaz don't live like they sayin they is

 But real ass niggaz don't roll wit wankstaz Chorus
