## Musiq Soulchild

I was told the true definition of a man was to never cry  
Work 'til you tired, got to provide  
Always be the rock for my fam', protect them by all means  
And give you the things that you need, baby Our relationship is suffering  
Trying to give you what I never had  
You say I don't know to love you, baby  
Well, I say show me the way I keep my feelings deep inside I  
Shadow them with my pride eye  
I'm trying desperately, baby, just work with me Teach me how to love  
Show me the way to surrender my heart, girl, I'm so lost  
Teach me how to love  
How I can get my emotions involved, teach me  
Show me how to love  
Show me the way to surrender my heart, girl, I'm so lost  
Teach me how to love  
How I can get my emotions involved  
Teach me how to love I was always taught to be strong  
Never let them think you care at all  
Let no one get close to me before you and me  
I den' shared things witchu girl about my past  
That I'd never tell To anyone else, no, just keep it to myself, yes  
Girl, I know I lack affection and expressin' my feelings  
It took me a minute to come and admit this but  
See I'm really try'na change now  
Wanna love you better, show me how  
I'm tryin' desperately, baby hey  
Teach me how to love  
Show me the way to surrender my heart, girl, I'm so lost  
Teach me how to love  
How I can get my emotions involved, teach me Show me how to love  
Show me the way to surrender my heart, girl, I'm so lost  
Teach me how to love  
How I can get my emotions involved  
Teach me how to love Ain't nobody ever took the time to try to teach me  
What love was but you  
And I ain't never trust no one enough  
To let em tell me what to do Teach me how to really show it  
And show me how to really love you, baby  
Teach me, please, just show me, yeah 'Cause I'm willing to let go of my fears  
Girl, I'm serious about all that I've said  
Girl, I wanna love you with all my heart  
Baby, show me where to start Teach me how to love

Show me the way to surrender my heart, girl, I'm so lost  
Teach me how to love  
How I can get my emotions involved, teach me Show me how to love  
Show me the way to surrender my heart, girl, I'm so lost  
Teach me how to love  
How I can get my emotions involved  
Teach me how, how to love Teach me how to love, baby  
Girl, just teach me how to love you better  
You know I wanna love you better, girl  
Oh, yeah, yeah, yeah
