## Erick Sermon

Banger

Yo, keep bouncing, have some funUh, bouncy bouncyUhh, flamin hot, game shot  
Five seconds left, all net, watch  
Yo, this here be a funky dope maneuver  
Bring it to your gut with more Jab than Judah  
(Take that, take that) And make sure the beat slam to the canvas  
Get a call from Vince McMahon cause I  
Pinned the game with a Marvin verse  
Two suburbs in the hearse when the rhyme disperse  
Uh, E Dub been real since a fetus  
Came out with no laces, shell toe Adidas  
Fame like Regis - made myself a millionaire  
Got three lifelines, I'm fine, I'm  
OutKast, Fresh, my tracks be, Clean  
No confusion, stop the illusion, E's  
That man there do it, I come with explosive force  
Sixth time on the cover of The Source  
A decade, so what can y'all tell me?  
Go against the grain is seldom seen  
When I walk through the crowd I can see heads turnin  
I hear voices sayin, That's Erick Sermon  
He be the gen i us, E Dub  
He be the one that rocks the house, so crazy (so crazy baby)  
All my people out there show love (show love) keep bouncing  
Bounce, forrrrrrrrr me, keep bouncingWhatcha gon' do when you get in the jam?I'm gon' have  
some funWhat do you consider fun?Doin it for 'Pac, Big L, Tah and PunYo, it's too hot for the  
devil  
I raise the heat to the maximum level  
Stop drop and roll, the roof's on fire  
Next time think when my name's on the flier  
T shirt and jeans, Air's the attire  
Two way pager, NexTel wire  
I'm like this seven days a week  
Whatever, song is made best believe it's freak  
Cause I, get my freak on, uh, I get my freak on  
Erick Sermon is so ill, somethin to speak on  
Yo, you came in the game and blew it  
Got your rap deal revoked and can't renew it, uh  
You wish you was blessed like me  
A child God chose to overexpose, whoa  
I'm over, that's what I heard  
But now I'm on your station with songs preferred

Uh, I'm top three, in thirty five states  
And now I'm eating over thirty five plates  
When I walk through the crowd I can see heads turnin  
I hear voices sayin, That's Erick Sermon  
He be the gen i us, E Dub  
He be the one that rocks the house, so crazy (so crazy baby)  
All my people out there show love (show love) keep bouncing  
Bounce, forrrrrrrrr me, keep bouncingWhatcha gon' do when you get in the jam?I'm gon' have
