

# So Much Things to Say

Lauryn Hill

they've got so much things to say right now  
they've got so much things to say  
they've got so much things to say right now  
they've got so much things to say i'll never forget, no way  
how they crucified Jesus Christ  
i'll never forget, no way  
how they sold marcus garvey for rice  
i'll never forget, no way  
how they turned their backs on paul bogle  
so don't you forget, no way  
who you are, and where you stand in the struggle they've got so much things to say right now  
they've got so much things to say  
they've got so very many things to say right now  
they've got so much things to say  
i don't come to fight flesh and blood  
but spiritual wickedness in high and low places  
and though you fight me down  
i'll stand firm and give Jah all the thanks and praises  
i don't expect to be justified by these laws of man  
though the wicked find me guilty  
Jah will prove my innocence here cuz when the rain falls,  
it don't fall on one mans housetop  
remember that  
when this rain falls  
it don't fall on one mans housetop they got so much things to say right now  
they got so much things to say  
they've got so much things to say right now  
they've got so so much things to say  
but let them keep talking  
let them keep talking  
cuz none of them walking  
oh none of them walking  
and why they're still talking  
see, i will keep walking  
i will keep walking  
so let them keep talking now say i'll never forget no way  
how they crucified jesus christ  
and i'll never forget  
how they sold marcus garvey for rice  
said i'll never forget  
how they turned their backs on paul bogle  
so none of you forget who you are,

and where you stand in the strugglecuz when this rain  
cuz when this rain falls  
it don't fall on one mans house  
i'm telling you the rain  
i'm telling you the rain  
dont fall  
it don't fallthey've got,  
they've got so very many things to say about me  
i'm tellin you now  
and they will have so many things  
they'll have so many things to say about you  
to say about youcuz they don't know me, know me  
they don't know me  
they don't know me  
they don't know me  
and they don't know me well  
they they they they they they they don't know my father  
cuz if they did  
if they did  
they
