

# Nothing Really Matters (feat. will.i.am)

David Guetta

Watching the world  
Watching them all go insane  
Look at them all  
Looking them do evil things  
So I go out and dance  
Party my problems away  
Look at me now (look at me now)  
Look at me dancing again  
In a club nothing really matters  
In a club nothing really matters  
In a club nothing really matters  
In a club nothing really matters  
Drop the beat...In a club...I rock club, like karma out there  
Night shot til daylight  
Hot models my type  
Let's go, take flight  
Explode dynamite  
Disco blacklight  
In a club...Party people rocking hardcore in a club  
DJ rock the fcking dancefloor in a club  
Hot mamas dancing, oh lord, in a club  
I just came to rock on out, to escape from the world  
Watching the world (watching the world)  
Watching them all go insane  
Look at them all (look at them all)  
Looking them do evil things  
So I go out and dance  
Party my problems away  
Look at me now (look at me now)  
Look at me dancing again  
In a club nothing really matters  
In a club nothing really matters  
In a club nothing really matters  
In a club nothing really matters  
Drop the beat...In a club...Feeling like a star when I walk in the  
house  
DJ spin that record and he burned down the house  
Just like MC hammer I'mma turn the 'motha out  
I'mma rock the dancefloor, check me out  
I am with all my people, we gonna fck up the place  
I was stressed out, so I had to get away  
The world is going mad, I think they gone crazy  
So I just gotta break on out  
In a club nothing really matters  
In a club nothing really matters  
In a club nothing really matters

In a club nothing really matters Drop the beat...

Drop the beat...

Drop the beat...

Drop the beat...

Drop the beat...
