

Hushh

AViVA

Hushh now darlin', don't say a word
Demons calling, they'll eat your soul
I'm not sorry for what will come, what you don't know Hold your breathe, dim the lights
I won't say you're safe this time
Here and now you're mine tonight Hush Hush
Keep your pretty mouth shut
Hush Hush
Lose your inhibitions
I'll let you in on my dark side
Show you what hell really feels like
I can keep a secret if you
Hush Hush
La La La La La La La
(No one has to know)
La La La La La La La
(No one has to know)
La La La La La La La
(No one has to know)
La La La La La La La
(No one has to know)
(No one has to know) Hush now darlin', I won't let go
Just keep movin', Movin' through the smoke
Hold me closer, we step across
Now you know Hold your breathe, dim the lights
I won't say you're safe this time
Here and now you're mine tonight
Hush Hushh
Keep your pretty mouth shut
Hush Hush
Lose your inhibitions
I'll let you in on my dark side
Show you what hell really feels like
I can keep a secret if you
Hush Hushh La La La La La La La
(No one has to know)
La La La La La La La
(No one has to know)
La La La La La La La
(No one has to know)
La La La La La La La
(No one has to know)
(No one has to know) Hush little darlin'
Don't say a word
Mama's gonna buy you a mockingbird

And if that mockingbird don't sing
Mama's gonna buy you a diamond ringHush Hush
Keep your pretty mouth shut
Hush Hushh
Lose your inhibitions
I'll let you in on my dark side
Show you what hell really feels like
I can keep a secret if you
Hush HushPlease come inside
You're begging to know
Bring me to life
Just give me your hush hushhhPlease come inside
You're begging to know
Bring me to life
Just give me your hush hushhh
