

# I Don't Wanna Dance

## Hey Monday

Take me home You, you hit with me a break  
And now you're back for more  
Your song's the same, leave me with all the blame  
I don't have time for another game I don't wanna dance, so don't you ask me, babe  
I don't wanna dance  
You blew your chance  
To rock my night away I want some fun  
Boy, you're so not the one  
I don't wanna dance, so let it go  
You'll never take me home  
Take me home  
Take me home  
Talk to me without a sound 'cause you were such a tool  
Who's sorry now?  
You, you're shaking on the floor  
Watch me walking out the door I don't wanna dance, so don't you ask me, babe  
I don't wanna dance  
You blew your chance  
To rock my night away I want some fun  
Boy, you're so not the one  
I don't wanna dance, so let it go  
You'll never take me home  
Take me home  
Take me home Don't tell the DJ to hit rewind  
Tonight, there's no you and me  
Don't play that record  
Don't waste your time  
You, you threw it all away I don't wanna dance, so don't you ask me, babe  
I don't wanna dance  
You blew your chance  
To rock my night away I want some fun  
Boy, you're so not the one  
I don't wanna dance, so let it go  
You'll never take me home  
Take me home  
Take me home I won't dance, I won't dance  
Bust a move or clap my hands  
Bust a move or clap my hands  
Bust a move or clap my hands Take me home  
(Take me home)
