CAN'T GET OVER YOU (feat. Clams Casino)

<u>Joji</u>

I can't get over you Can't get over you And before I die I pray that I could be the one That I could be the one But I won't be no fun If I can't have you no one canLimelights, can't allow me Can you show me To the feeling? It felt like, more curse like But I want you, and alright (you're alright) Tell me more I got a box cutter with your name on it Tell me more I can't stay this long on the same topic I don't know you, why would I fall in love with you? I don't have no social cues I'm all for you Ay (ha, ha, ha) I can't get over you (yeah) Can't get over you (yeah) And before I die I pray that I could be the one That I could be the one But I won't be no fun If I can't have you no one can Song Discussions is protected by U.S. Patent 9401941.
