

# Only Daddy That'll Walk the Line

Randy Travis

Everybody knows you've been stepping on my toes  
And I'm getting pretty tired of it  
You keep a stepping out of line  
You're messing with my mind if you had any sense you'd quit 'Cause ever since you were a little  
bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinking then you'll find  
You got the only daddy that'll walk the line I keep-a working every day all you want to is play  
I'm tired of staying out all night  
I'm coming unglued from your funny little moods  
Now Honey baby that ain't right  
'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinking then you'll find  
You got the only daddy that'll walk the line You keep-a packing up my clothes nearly  
everybody knows  
That you're still just a putting me on  
But when I start a walking gonna hear you start a squawking  
And begging me to come back home  
'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinking then you'll find  
You got the only daddy that'll walk the line You got the only daddy that'll walk the line
