

# Into Your Eyes

Armand Van Helden

Into Your Eyeswhen I look into your eyes,  
I can love you to forever.when I look into your eyes,  
I can love you to forever.when I look into your eyes,  
I can love you to forever.when I look into your eyes,  
I can love you to forever.when I look into your eyes,  
I can love you to forever.  
when I look into your eyes,  
I can love you to forever.
