

Into Your Eyes

[Armand Van Helden](#)

Into Your Eyeswhen I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.
when I look into your eyes,
I can love you to forever.
