

# Colour of Moonlight (Antiochus) [feat. Doldrums]

Grimes

Oh it's on the roof  
Oh it's on the roof  
Oh it's on the roof  
And you can't say Oh it's on the roof  
Oh it's on the roof  
Oh it's on the roof  
And you can't say Oh it's on the roof  
Oh it's on the roof  
Oh it's on the roof  
And you can't say  
And you're taking your time  
And you're taking your time  
And you're taking your time Oh it's on the roof  
Oh it's on the roof  
Oh it's on the roof  
And you can't say And you're taking your time  
And you're taking your time  
And you're taking your time Oh it's on the roof  
Oh it's on the roof  
Oh it's on the roof  
And you can't say And you're taking your time  
And you're taking your time  
And you're taking your time  
Oooh, oooh, oooh  
Oooh, oooh, oooh  
I'm...  
Oooh, oooh, oooh  
Oooh, oooh, oooh  
I'm...Close your eyes and  
tell me what you see  
The...  
And it's after the  
Moonlight  
Could feel...Oh it's on the roof  
Oh it's on the roof  
Oh it's on the roof  
And you can't say And it's after the  
Moonlight  
...Oh it's on the roof  
Oh it's on the roof

Oh it's on the roof  
And you can't say And it's after dark  
...Oooh, oooh, oooh  
Oooh, oooh, oooh  
I'm...  
Close your eyes and  
tell me what you see Oooh, oooh, oooh  
Oooh, oooh, oooh  
I'm...  
...It's after dark  
Against the moonlight  
It's on the roof
