

# Crutch

## Set It Off

I'm holding you up, keeping you on your feet,  
Always in the dark even when you're next to me. So how does it feel,  
To know that I would do anything to break your fall?  
How does it feel?  
I give everything but I get nothing at all. You kill me every time we touch,  
Baby you use me, I'm just your crutch,  
I don't know how long I can hold you up,  
You got me running out of love,  
Baby you use me, I'm just your crutch,  
I don't know how long I can hold you up.  
There's only so much of the weight I can take,  
Leaning on me till I bend and I break, So how does it feel,  
To know that I would do anything to break your fall?  
How does it feel?  
I give everything but I get nothing at all. You kill me every time we touch,  
Baby you use me I'm just your crutch,  
I don't know how long I can hold you up,  
You got me running out of love,  
Baby you use me I'm just your crutch,  
I don't know how long I can hold you up. Where you, where you gonna be?  
Where you gonna be when I need somebody?  
You kill me every time we touch,  
Baby you use me I'm just your crutch,  
I don't know how long I can hold you up,  
You got me running out of love,  
Baby you use me I'm just your crutch,  
I don't know how long I can hold you up.
