

# Was It Worth It? (7" Version)

## Pet Shop Boys

Well I don't know why  
I was dreaming about you  
but I do know that  
I was dancing without you  
Then you smiled  
and I was lost  
You fall in love  
Why count the cost?  
All I gave to you  
All you made me do  
I react  
when I hear people ask Was it worth it?  
Yes it's worth living for  
Was it worth it?  
Yes it's worth giving more  
If I'd had my way  
this would have happened much sooner  
but until that day  
it was only a rumour  
All at once  
you changed my life  
and led me in  
to paradise  
where I had to do  
what I wanted to  
I react  
when I hear people ask Was it worth it?  
Yes it's worth living for  
Was it worth it?  
Yes it's worth giving more  
I reserve  
the right to live  
my life this way  
and I don't give  
a damn when I  
hear people say  
I'll pay the price  
that others pay 'cause it's worth it  
Yes it's worth living for  
'cause it's worth it  
Yes it's worth living for All I gave to you  
All you made me do

I react  
when I hear people ask Was it worth it?  
Yes it's worth living for  
Was it worth it?  
Yes it's worth giving more And I reserve (What?)  
the right to live (Where?)  
my life this way (How?)  
I couldn't give  
a damn when I (What?)  
hear people say (Who?)  
I'll pay the price  
that others pay 'cause it's worth it  
Yes it's worth living for  
'cause it's worth it  
Yes it's worth giving more  
and it's worth it I don't know why  
I never thought I'd fall in love
