

# Might As Well Get Stoned

Chris Stapleton

Well, she said, she didn't love me  
And kicked me out the door  
Now I'm livin' in one room  
And sleepin' on the floor  
Think I'm gonna kick my boots off  
And put some music on  
And since I'm all alone  
I might as well get stoned I might as well get stoned  
Get it off my mind  
Ain't got a thing to do  
All I've got is time  
The bottle's all I've had to be a friend of mine  
And since my whiskey's gone  
I might as well get stoned  
Now every time I watch the TV  
Another soldier dies  
Another brother's gone  
Another mother cries  
Now I know they've got a job to do  
But if I had one wish  
I wish they'd all come home  
So, we could all get stoned  
I might as well get stoned  
Get it off my mind  
Ain't got a thing to do  
All I've got is time  
The bottle's all I've had to be a friend of mine  
And since my whiskey's gone  
I might as well get stoned, I might as well get stoned
