

# In Silence

Michael W. Smith

On the stairs she sits and waits  
She's crying out  
But nobody even cares  
Yeah yeah yeah  
Holding in the hurt and pain  
Looking for love  
To come pull her from this place  
I'm not gonna sit and stay in silence  
I'm not gonna walk away in silence  
Sometimes we're loudest when  
The doors are shut and no one can see our face  
No one can see our face  
But it seems we're quiet when  
Someone needs a touch of heaven's grace  
Oh yeah I'm not gonna sit and stay in silence  
I'm not gonna walk away in silence We are all God's children  
We need to count off all we've been given  
Oh yeah  
We are all God's children  
We need to count off all we've been given  
I'm not gonna sit and stay  
I'm not gonna walk away  
I'm not gonna sit and stay in silence  
I'm not gonna walk away in silence  
Yeah  
In silence
