In Silence

Michael W. Smith

On the stairs she sits and waits She's crying out But nobody even cares Yeah yeah yeah Holding in the hurt and pain Looking for love To come pull her from this place I'm not gonna sit and stay in silence I'm not gonna walk away in silence Sometimes we're loudest when The doors are shut and no one can see our face No one can see our face But it seems we're quiet when Someone needs a touch of heaven's grace Oh yeahI'm not gonna sit and stay in silence I'm not gonna walk away in silenceWe are all God's children We need to count off all we've been given Oh yeah

Oh yeah
We are all God's children
We need to count off all we've been given
I'm not gonna sit and stay
I'm not gonna walk away
I'm not gonna sit and stay in silence
I'm not gonna walk away in silence

Yeah

In silence
