

Party's Over

Astrid S

Pour all the champagne, make it rain
Have our own parade
We don't feel a thing, chardonnay
Running through our veins We don't have to go, go home
We can stay here
Layed out on the floor
I won't run 'til the room clears Pour all the champagne, make it rain
We can stay here
Stay here And don't say the party's over
'Cause we've got time to let it go
And don't say we're leaving sober
Just stay the night, don't take me home
And don't say it's over
Don't say it's over
And don't say it's over, over, over, no
Don't say it's over Give me one more dance, one more kiss
We don't need to stop
Take another hit, 'nother sip
All before it's gone You don't have to go, go home
You can stay here
Tell me you won't go
Take it slow 'til the rooms clears Give me one more dance, one more kiss
We can stay here, stay here
And don't say the party's over
'Cause we've got time to let it go
And don't say we're leaving sober
Just stay the night, don't take me home
Stay the night And don't say it's over
Don't say it's over
And don't say it's over, over, over, no
Don't say it's over Don't say it, don't say
Don't say it, don't say
Don't say it Only got one night, one time, don't say goodbye
Only got one night, one time, don't say goodbye
Only got one night, one time, don't say goodbye
Only got one night, one time And don't say the party's over
'Cause we've got time to let it go
And don't say we're leaving sober
Just stay the night, don't take me home And don't say it's over (no)
Don't say it's over
Don't say it's over, over, over, no
Don't say it's over, no Pour all the champagne, make it rain

We can stay here, stay here
