Gun (KDA Remix)

CHVRCHES

You had better run from me
With everything you own
'Cause I am gonna come for you
With all that I haveI am gonna break you down

To tiny, tiny parts

I never believed but I see it now

I'm learning your lessonDid it make you feel so clever?

Did you wear it on your sleeve?

Did you see another picture

Where I was not a part so far entwined? There is no other way, never run far

Take a good swing at me and everything is even so

Finally we agree, no place for promises here

You'd better run, you'd better run so

Hide, hide, I have burned your bridges

I will be a gun and it's you I'll come for

Hide, hide, now it's all so easy

I will be a gun and it's you I'll come for Who are you to tell me how

To keep myself afloat?

I treaded water all the while

You stuck in the knife that you held at my backDid it make you feel so clever?

Did you wear it on your sleeve?

Did you see another lifetime?

Where I was not a part so far entwined? There is no other way, never run far

Take a good swing at me and everything is even so

Finally we agree, no place for promises here

You'd better run, you'd better run so

Hide, hide, I have burned your bridges

I will be a gun and it's you I'll come for

Hide, hide, now it's all so easy

I will be a gun and it's you I'll come for There is no other way, never run far

Take a good swing at me and everything is even so

Finally we agree, no place for promises here

You'd better run, you'd better run so Hide, hide, I have burned your bridges

I will be a gun and it's you I'll come for

Hide, hide, now it's all so easy

I will be a gun and it's you I'll come for And it's you I'll come for

And it's you I'll come for

And it's you I'll come for

and it's you I'll come for And I'm gonna see that you won't go far

And I'm gonna see that you won't go far

And I'm gonna see that you won't go far

And I'm gonna see that you won't go far
