

# Love Me or Leave Me

Kerli

Sitting here watching you go  
For all I know, this could be it  
It's been a while since you have kissed me like you mean it  
Been working out, you smell so good  
It's not for me  
I don't mean to push you but you say that you don't feel it  
Love me or leave me  
Oh, quit me or keep me  
Whatever it is you're feeling I just need to know  
Love me or leave me  
Grip me or free me  
I know that you're out of love so say it isn't so  
Or please just let me go  
Or please just let me go  
Minutes turn hours and I keep waiting  
Starting at the door  
I don't wanna lose you but I can't hold on forever  
All these love affairs where no one cares  
enough for me  
So give me your everything or give me nothing ever  
Love me or leave me  
Oh, quit me or keep me  
Whatever it is you're feeling I just need to know  
Love me or leave me  
Oh, grip me or free me  
I know that you're out of love so say it isn't so  
Or please just let me go  
It kills me every time  
You can't say it back  
I pretend I'm fine  
But I'm about to crack  
Bleeding dry your faith  
I just miss you so  
Pull me closer now  
Or please just let me go  
Love me or leave me  
Oh, quit me or keep me  
Whatever it is you're feeling I just need to know  
Love me or leave me  
Grip me or free me  
I know that you're out of love so say it isn't so  
Or please just let me go  
Or please just let me go  
Or please just let me go
