

Don't Cost a Dime

Martina McBride

It's a big world to walk through honey
and if ya got love you don't need money
You're gonna get caught in the
toughest times
You Hold eachother and
you hold a lot
You kiss on the mornings
when the sun don't Shine
That Don't Cost A Dime
It's a big world to walk through honey
if ya got love you don't need money.
You can't get lost in the dollar signs
You take each night one day at a time
You live on water till it turns in to wine
And that don't cost a dime
Climb out of bed and step outside
Look up ahead it's all blue sky
You already have what really matters most
in this life.
It's a big world to walk through honey
and if ya got love you don't need
money
You're gonna get caught in the
toughest times
You Hold eachother and
you hold a lot
What it's worth there's my
advice
And that don't cost a dime
That Don't cost A dime
yeah
Love don't cost a dime
yeah yeah
