

Indestructible

Robyn & Laidback Luke

I'm going backwards through time at the speed of light
I'm yours, you're mine, two satellites
Not alone
No, we're not alone A freeze-frame of your eye in the strobelight
Sweat dripping down from your brow, hold tight
Don't let go
Don't you let me go And I never was smart with love
I let the bad ones in and the good ones go
But I'm gonna love you like I've never been hurt before
I'm gonna love you like I'm indestructible
Your love is ultra magnetic and it's taking over
This is hardcore
And I'm indestructible
Hands up in the air like we don't care
We're shooting deep into space
And the lasers split the dark
Cut right through the dark It's just us, we ignore the crowd dancing
Fall to the floor
Beats in my heart
Put your hands on my heart And I never was smart with love
I let the bad ones in and the good ones go
But I'm gonna love you like I've never been hurt before
I'm gonna love you like I'm indestructible
Your love is ultra magnetic and it's taking over
This is hardcore
Ooh and I'm gonna love you like
Like I've never been hurt before
I'm gonna love you like I'm indestructible
Your love is ultra magnetic and it's taking over
This is hardcore
And I'm indestructible
And I never was smart with love
I let the bad ones in and the good ones go
But I'm gonna love you like I've never been hurt before
I'm gonna love you like I'm indestructible
Your love is ultra magnetic and it's taking over
This is hardcore
Ooh and I'm gonna love you like
Like I've never been hurt before
I'm gonna love you like I'm indestructible
Your love is ultra magnetic and it's taking over
This is hardcore

And I'm indestructible
