

Lazy Gun

Jet

"Is it on?"

"Uhhh, yeah."

"Alright." Lazy gun messed up my television, yeah
You get no younger from those colours in your hair
You teach your kids how they're all young enough to fight
You talk about the answer, tell them they're all right Change nothing

Future's in

Close the door

Wear a name

Be the same

Take some more

Lazy gun messed up my television fun
Shoot the shotgun but the war is never won
Who's the enemy who's sucking all my sun?
I'm the only one left now, you've taken all my fun Change nothing

The future's in

Close the door

Wear a name

Be the same

Take some more Change nothing

The future's in

Close the door Hmm, hmm, hmm, hmm

Hmm

Change nothing

The future's in

Close the door

Wear a name

Be the same

Take some more Change nothing

The future's in

Close the door
