She come around here about midnight  
She come around here about midnight  
    Make me feel so good  
    Every night about midnight  
        Come around  
    Make me feel alright  
    Walking down the street  
    She knock on my door  
    Walking down the street  
    She knock on my door  
        Come in my room  
    Make me feel so good  
        Like a woman do  
Well why do you make me feel alright  
    She's a natural born woman  
    Natural born soul sender  
    Natural born woman  
    Natural born soul sender  
Come here about midnight, yeah! yeah!  
    Did I tell you about my baby  
    Well, she comes around  
        Five feet four  
    From her head to the ground  
        Comes around here  
        Just about midnight  
        Makes me feel so good  
        Makes me feel alright

    G.L.O.R.I.A, G.L.O.R.I.A

    Walking down on the street

    Then come in my room  
    Make me feel alright  
    Feel, feel, feel, feel  
    Feel, feel, alright, alright
