

Worthless

Dido

I know what you came for
and I know when you'll leave
You came for my heart
and it's lost to me For I won't stop you
I will open my door
My heart is here waiting
I don't need it no more I know why you're leaving
and I'll just let it be
I am left with nothing
and now you're lost to me
For I can't stop you
I will open my door
My heart is here waiting
I don't need it no more I know why you're waiting --
to give me time to breathe
before you take my heart now
Just give up and leave For I won't stop you
I will open my door
My heart is here waiting
I don't need it no more
For love makes a fool of me
For love makes a part of us
You know it's worthless, as worthless can be
For love makes a fool of me
For love makes a fool of us
You know it's worthless, as worthless can be It's worthless, worthless
Can't be
