Live Forever

Oasis

Maybe I don't really wanna know How your garden grows Cos I just want to fly Lately, did you ever feel the pain In the morning rain As it soaks you to the boneMaybe I just want to fly I want to live I don't want to die Maybe I just want to breathe Maybe I just don't believe Maybe you're the same as me We see things they'll never see You and I are gonna live forever I said, maybe I don't really wanna know How your garden grows Cos I just want to fly Lately, did you ever feel the pain In the morning rain As it soaks you to the boneMaybe I will never be All the things that I want to be But now is not the time to cry Now's the time to find out why I think you're the same as me We see things they'll never see You and I are gonna live foreverMaybe I don't really wanna know How your garden grows Cos I just want to fly Lately, did you ever feel the pain In the morning rain As it soaks you to the bone Maybe I just want to fly I want to live I don't want to die Maybe I just want to breathe Maybe I just don't believe Maybe you're the same as me We see things they'll never see You and I are gonna live forever Gonna live forever Gonna live forever We're gonna live forever Gonna live forever Gonna live forever We're gonna live forever
