

XO

EDEN

Yeah, she's in love with the concept
As if we're all just how she imagined
Cause we're in love but just don't know it yet
Well, tell me how I'm supposed to see the magic
Cause I don't believe in it no more
But I won't tell her, It's easier if she thinks she won So Imma let her And she said I don't think
I love you no more You never seem to call me lately
Girl I don't think you know me at all
Cause I never thought I'd have to say this
No, I don't love you, and I never did
Look at us burning down in flames for kicks
But just know,
I'm not singing for your XO I'm just singing cause it's over
(Uh, Yeah) Came and went like the summertime Is that a sunset or sunrise Looking
back like where'd the time go
So much for trying to keep this moving slow
Cause I don't believe in her no more
But I remember,
How we talked shit like we knew what we wanted
I still remember what she said I don't think
I love you no more You never seem to call me lately
But I don't think she knew me at all
Cause I never thought I'd have to say this
But I'm no liar and I never hid anything
You should've seen it coming to this, just know
I'm not singing for an EX though,
I'm just singing cause it's over Yeah, Yeah
