EDEN

Yeah, she's in love with the concept As if we're all just how she imagined Cause we're in love but just don't know it yet Well, tell me how I'm supposed to see the magic Cause I don't believe in it no more But I won't tell her, It's easier if she thinks she wonSo Imma let her And she said I don't think I love you no more You never seem to call me lately Girl I don't think you know me at all Cause I never thought I'd have to say this No, I don't love you, and I never did Look at us burning down in flames for kicks But just know, I'm not singing for your XO I'm just singing cause it's over (Uh, Yeah)Came and went like the summertimeIs that a sunset or sunrise Looking back like where'd the time go So much for trying to keep this moving slow Cause I don't believe in her no more But I remember. How we talked shit like we knew what we wanted I still remember what she said I don't think I love you no more You never seem to call me lately But I don't think she knew me at all Cause I never thought I'd have to say this But I'm no liar and I never hid anything You should've seen it coming to this, just know I'm not singing for an EX though, I'm just singing cause it's overYeah, Yeah Song Discussions is protected by U.S. Patent 9401941.
