

bury a friend

Billie Eilish

[Intro]

Billie[Refrain]

What do you want from me? Why don't you run from me?

What are you wondering? What do you know?

Why aren't you scared of me? Why do you care for me?

When we all fall asleep, where do we go?[Verse 1]

Come here

Say it, spit it out, what is it exactly

You're payin'? Is the amount cleanin' you out, am I satisfactory?

Today, I'm thinkin' about the things that are deadly

The way I'm drinkin' you down

Like I wanna drown, like I wanna end me

[Chorus]

Step on the glass, staple your tongue

Bury a friend, try to wake up

Cannibal class, killing the sun

Bury a friend, I wanna end me[Post-Chorus]

I wanna end me

I wanna, I wanna, I wanna... end me

I wanna, I wanna, I wanna...[Refrain]

What do you want from me? Why don't you run from me?

What are you wondering? What do you know?

Why aren't you scared of me? Why do you care for me?

When we all fall asleep, where do we go?

[Verse 2]

Listen

Keep you in the dark, what had you expected?

Me to make you my art and make you a star

And get you connected?

I'll meet you in the park, I'll be calm and collected

But we knew right from the start that you'd fall apart

'Cause I'm too expensive

Your talk'll be somethin' that shouldn't be said out loud

Honestly, I thought that I would be dead by now

Calling security, keepin' my head held down

Bury the hatchet or bury your friend right now[Bridge]

For the debt I owe, gotta sell my soul

'Cause I can't say no, no, I can't say no

Then my limbs are froze and my eyes won't close

And I can't say no, I can't say no

Careful[Chorus]

Step on the glass, staple your tongue

Bury a friend, try to wake up
Cannibal class, killing the sun
Bury a friend, I wanna end me[Post-Chorus]
I wanna end me
I wanna, I wanna, I wanna... end me
I wanna, I wanna, I wanna...[Refrain]
What do you want from me? Why don't you run from me?
What are you wondering? What do you know?
Why aren't you scared of me? Why do you care for me?
When we all fall asleep, where do we go?
