

# All the Man That I Need

Whitney Houston

I used to cry myself to sleep at night  
But that was all before he came  
I thought love had to hurt to turn out right  
But now he's here, it's not the same  
It's not the same He fills me up, he gives me love  
More love than I've ever seen  
He's all I got, he's all I got in this world  
But he's all the man that I need And in the morning when I kiss his eyes  
He takes me down and rocks me slow  
And in the evening when the moon is high  
He holds me close and won't let go  
He won't let go  
He fills me up, he gives me love  
More love than I've ever seen  
He's all I got, he's all I got in this world  
But he's all the man that I need He fills me up (he fills me up)  
He gives me love  
More love than I've ever seen (than I've ever seen)  
He's all I got (he's all I've got)  
He's all I got in this world  
But he's all the man that I need  
(All the man, all the man I need) He fills me up (he fills me up)  
He gives me love  
More, more love, more love (more love), more love, more love (than I've ever seen)  
He's all I've got (he's all I've got)  
He's all I got in this world  
But he's all the man, all the man  
(All the man, all the man I need)  
He fills me up (woo)  
More love than I've ever seen  
He's all I've got  
All the man, all the man I need
