

Sherane a.k.a. Master Splinter's Daughter

Kendrick Lamar

Lord God
I come to you a sinner
And I humbly repent for my sins
I believe that Jesus is Lord
I believe that you raised him from the dead
I will ask that Jesus will come to my life
And be my Lord and Savior
I receive Jesus to take control of my life
And that I may live for him from this day forth
Thank you Lord Jesus for saving me with your precious blood
In Jesus' name, Amen
I met her at this house party on El Segundo and Central
She had the credentials of strippers in Atlanta
Ass came with a hump from the jump she was a camel
I want to ride like Arabians, push an '04 Mercedes-Benz
"Hello my name is Kendrick," she said "No, you're handsome"
Whispered in my ear, disappeared then found her dancing
Ciara had played in the background
The parade music we made had us all wearing shades now, cool
"Where you stay?" She said "Down the street from Dominguez High"
Okay, I know that's borderline Compton or Paramount
"Well is it Compton?"
"No," she replied and quickly start batting her eyes and
Strictly had wanted her thighs around me
Seventeen, with nothing but pussy stuck on my mental
My motive was rather sinful
"What you trying to get into?"
She didn't tell, just gave me her Nextel
Dropped the number, we chirped the whole summer and well
The summer had passed, and now I'm liking her
Conversation we having probably enticing her
Who could imagine, maybe my actions would end up wifing her
Love or lust, regardless, we'll fuck cause the trife in us
It's deep rooted, the music of being young and dumb
Is never muted; in fact, it's much louder where I'm from
We know a lot 'bout each other, her mother was a crack addict
She live with her granny and her younger two brothers
Her favorite cousin Demetrius's irrepitable
Family history of gang banging - did make me skeptical
But not enough to stop me from getting a nut
I wanna come over, what's up? That's what I told her soon as this episode
Of Martin go off, I'm trying to get off

I was in heat like a cactus, my tactics of being thirsty
Probably could hurt me, but fuck it I got some heart
Grab my momma's keys, hopped in the car, then oh boy
So now I'm down Rosecrans in a Caravan
Passing Alameda, my gas meter in need of a pump
I got enough to get me through the traffic jam
At least I hope cause my pockets broke as a promise man
I'm thinking bout that sex, thinking bout her thighs
Or maybe kissing on her neck, or maybe what positions next
Sent a picture of her titties blowing up my texts
I looked at 'em and almost ran my front bumper into Corvette
Enthused by the touch of a woman, she's a masseuse
And I'm a professional porn star when off the Goose
I had a fifth in the trunk like Curtis Jackson for ransom
I'm hoping to get her loose like an Uncle Luke Anthem
I'm two blocks away, 250 feet
And six steps from where she stay, she waving me 'cross the street
I pulled up a smile on my face, and then I see
Two niggas, two black hoodies, I froze as my phone rang
Please leave your message for 323-
Record your message after the tone
