

# Angel With a Shotgun

## Nightcore

(I'm an angel with a shotgun,  
shotgun,  
shotgun.)

(An angel with a shotgun,  
shotgun,  
shotgun.) Get out your guns,  
battle's begun  
are you a saint, or a sinner?  
If love's a fight,  
then I shall die

with my heart on a trigger. They say before you start a war  
you better know what you're fighting for.

Well baby, you are all that I adore  
if love is what you need,  
a soldier I will be.

I'm an angel with a shotgun  
fighting 'til the war's won  
I don't care if heaven won't  
take me back.

I'll throw away my faith, babe, just to keep you safe.

Don't you know you're everything I have?  
and I,  
wanna live, not just survive,  
tonight.

Sometimes to win, you've got to sinton't mean I'm not a believer.

and major Tom, will sing along.

Yeah, they still say I'm a dreamer.

They say before you start a war  
you better know what you're fighting for.

Well baby, you are all that I adore  
if love is what you need,  
a soldier I will be.

I'm an angel with a shotgun  
fighting 'til the war's won

I don't care if heaven won't take me back.

I'll throw away my faith, babe, just to keep you safe.

Don't you know you're everything I have?  
and I,  
wanna live, not just survive,  
tonight.

ooooohhhhhhhh, oooooohhhhhh whoa whoa ooh whoa

Don't you know you're everything I have?

and I,

(Live, not just survive)  
and I'm gonna hide, hide, hide my wings tonight.  
They say before you start a war  
you better know what you're fighting for.
