

# Resilient (feat. Aitana)

## Katy Perry & Tiësto

I know there's gotta be rain, if I want the rainbows  
And I know the higher I climb, the harder the wind blows  
Yeah, I've gone to sleep night after night punching a pillow  
But do you know the darker the night the brighter the stars glow?  
'Cause I am resilient  
A full flower moment  
Won't let the concrete hold me back, oh no  
I am resilient  
Born to be brilliant  
You'll see me grow right through the cracks, yeah  
'Cause you're gonna watch this flower grow  
Right through the cracks  
I've got to shed all the skin if I want the distance  
Let the sun in, pull out the weeds and focus my vision  
'Cause there's no mistakes, just bends and breaks and friction  
But do you know the hotter the fire the purer the gold is?  
'Cause I am resilient  
A full flower moment  
Won't let the concrete hold me back, oh yeah  
I am resilient  
Born to be brilliant  
I'm gonna grow right through the cracks, oh  
'Cause I died every winter  
But survived all the weather  
Look at me now, look at me now  
I'm in full bloom, yeah  
They tried to poison the water  
But I was a little stronger  
Look at me now, look at me now  
Light up the room, oh yeah  
'Cause I am resilient (I am resilient)  
A full flower moment  
Won't let the concrete hold me back, no  
Oh, I am resilient  
Born to be brilliant  
I'm gonna grow right through the cracks  
Oh, you're gonna watch this flower grow  
Right through the cracks
