

This Celluloid Dream

[AFI](#)

Calling tears from deep inside, oh you're so exquisite
And in the mirror, all midnight eyes
Oh, if I could remain, but it's just a visit
All midnight eyes read vacancy
Twisted, twisting
To the lovely dancing lights, I begged, may I
cut in?
But they never stopped playing their song
Of a joyous song they sing, I've heard whispers
On a freezing note, I resonate
Just like romantic verses, just like a joyous end
Just like a memory, it twists me
Just like romantic verses, just like a joyous end
Twist, twisting me
You land as lightly as the new snow, cinematic
Onto the melting boy, and melt away
You light as gently, you're so cinematic
Bathed in your radiance, I melt
In the glitter, in the dark, sunk into velvet
Praying this will never end
In the shadow of a star, in static pallor
I realized I never began
Just like romantic verses, just like a joyous end
Just like a memory, it twists me
Just like romantic verses, just like a joyous end
Twist, twisting me
You land as lightly as the new snow, cinematic
Onto the melting boy, and melt away
You light as gently, you're so cinematic
Bathed in your radiance, I melt
All the colors upon leaving, all will turn to grey
All the colors upon leaving, all will turn to grey
All grey, all the colors
All grey, upon leaving
All grey, all will turn to grey
Twisting me
You land as lightly as the new snow, cinematic
Onto the melting boy, and melt away
You light as gently, you're so cinematic
Bathed in your radiance
You land as lightly as the new snow, cinematic
You land as lightly as the new snow, and melt away
You land as lightly as the new snow, cinematic
Bathed in your radiance, I melt
