

# This Celluloid Dream

AFI

Calling tears from deep inside, oh you're so exquisite  
And in the mirror, all midnight eyes  
Oh, if I could remain, but it's just a visit  
All midnight eyes read vacancy  
Twisted, twisting  
To the lovely dancing lights, I begged, may I  
cut in?  
But they never stopped playing their song  
Of a joyous song they sing, I've heard whispers  
On a freezing note, I resonate  
Just like romantic verses, just like a joyous end  
Just like a memory, it twists me  
Just like romantic verses, just like a joyous end  
Twist, twisting me  
You land as lightly as the new snow, cinematic  
Onto the melting boy, and melt away  
You light as gently, you're so cinematic  
Bathed in your radiance, I melt  
In the glitter, in the dark, sunk into velvet  
Praying this will never end  
In the shadow of a star, in static pallor  
I realized I never began  
Just like romantic verses, just like a joyous end  
Just like a memory, it twists me  
Just like romantic verses, just like a joyous end  
Twist, twisting me  
You land as lightly as the new snow, cinematic  
Onto the melting boy, and melt away  
You light as gently, you're so cinematic  
Bathed in your radiance, I melt  
All the colors upon leaving, all will turn to grey  
All the colors upon leaving, all will turn to grey  
All grey, all the colors  
All grey, upon leaving  
All grey, all will turn to grey  
Twisting me  
You land as lightly as the new snow, cinematic  
Onto the melting boy, and melt away  
You light as gently, you're so cinematic  
Bathed in your radiance  
You land as lightly as the new snow, cinematic  
You land as lightly as the new snow, and melt away  
You land as lightly as the new snow, cinematic  
Bathed in your radiance, I melt
